Youth mobility

What is LaSa

Youth Safety mobility project

Project Title: Safe youth in Safe cities - "LaSa" (Sandnes-Labin)

International project of the Town of Labin and High school of Mate Blažine and the Municipality of Sandnes and The City Youth Council

Funded by the EU through the Erasmus+ K1 Youth mobility

Erasmus+

KA1 - Learning Mobility of Individuals
Youth mobility

Objective

Learn about safety factors that enhance youth safety

Map out elements that pose a threat

Share practice and methods

Discuss how we can improve society by physical planning, and social responsibility on an organisational and individual level

Encourage cross cultural interaction and non-formal learning
