-

Did you learn something new on the subject?
YES

What did you learn?
I learned that Norwegians eat a ^{lot} of fish, that they have a formality called confirmation. The clothes they ~~wear~~ wear for it are called "Bunad"... I learned something about ~~wear~~ Night ravens.

2) How was the programme?

Thematic:
Did the working methods bring us closer to the subject?
YES

Which sessions were useful?
When we made the logo for Innovation status.

Cultural/Social:
How did the activities contribute to social networking?
I don't know.

How did the programme contribute to cultural understanding and learning?
We learned a lot about Norwegian culture and politics.

DAY 7
